NOTICE

The KCRC Board of Directors voted to increase sanctioned trial entry fees by \$2.00 per stake. This will allow the club to hire bird boys to throw birds at our sanctioned trials which should greatly improve the mechanics as well as allow the membership to enjoy the event without having to go into the field periodically to throw birds. The club will hire three bird boys for each day and will pay at the rate of \$35.00 per boy. If you have a youngster that would be interested in making a little extra money please contact any board member.

The Board also voted to use the June Sanctioned trial date for a “**Super Singles**” competition versus the stakes normally ran at the sanctioned trials. Further details will follow in the next newsletter.

Member Accomplishments

Be sure to let the editor know when you place or JAM a field trial or get a qualifying score in a hunt test. We enjoy sharing our member's accomplishments with the entire club. So don't forget! Just call or email the information and it will be in the next newsletter.
