

HOOK MEMORIAL TROPHY
NAFC-FC BARTON CREEK'S O MUSTAD "HOOK"
Owned by Loren and Carol Morehouse

1. This is a "traveling" trophy to be awarded to the dog owned or co-owned by a Kansas City Retriever Club (KCRC) member who accumulates the highest number of All-Age points in licensed field trials during the award year. It is "dog specific".
2. The All-Age points, to be counted, must be earned or acquired when the dog is handled by an amateur, as that term is defined in the AKC rules for retriever field trials. All-Age points may be acquired in Amateur or Open stakes.
3. Additionally, the All-Age points, to be counted, must be acquired at trials run during the period that the owner or co-owner is a KCRC member in good standing. For example, if the dog acquired All-Age points at a trial when the dog is not owned or co-owned by a KCRC member, those points shall not count towards the award of the trophy.
4. The award year shall be from December 1 through November 30 of the following year, with the initial award year from December 1, 2010 through November 30, 2011.
5. The Hook Memorial Trophy shall be paid for by, and is the property of, the Kansas City Retriever Club (the KCRC). As a traveling trophy, it should be returned to the KCRC by the annual winner as soon as practicable at the end of the award year.
6. To be awarded the trophy, the winning dog must have at least one qualifying All-Age placement during the award year. If there are no dogs with at least one qualifying All-Age placement during the award year, the trophy shall not be awarded for that year. In the event that two or more dogs are tied at the end of the award year for the trophy (have an equal number of All-Age points), the tie breaker shall be based on the number of Judge's Awards of Merit (JAMS), with Reserve JAMS counting as two JAMS. The dog with the highest number of JAMS shall be awarded the trophy. If an additional tie breaker is needed, the terms thereof shall be determined by the KCRC Board of Directors.
7. Any disputes pertaining to the award of the Hook Memorial Trophy or the qualifying All-Age points toward its award shall be resolved by the KCRC Board of Directors.
